### ► **Employee ID/Keycard/Bus Pass**

If you're benefit-eligible, you receive a photo ID that can be used as a free bus pass on Metro, Pierce, Community and Sound Transit. The photo ID can also be programmed with keycard functions for access to county facilities.

To get your photo ID/keycard/bus pass, submit an ID/Keycard Request Form to your ID/Keycard Coordinator. The form and a list of coordinators are in Public Folders/Construction & Facility Management/ID-Keycard & Forms-Bus Pass Information (in the King County e-mail system).

Your ID/Keycard Coordinator will issue you a Bus Pass Authorization Form. Take the form and a picture ID to the King County Building Services Section, ID/Access Control Unit in Room 206 on the second floor of the King County Administration Building, 500 Fourth Ave. to get your pass. Office hours are 8 a.m.-4 p.m. Monday through Friday.

# Money Matters

## ► Deferred Compensation

The King County Deferred Compensation Plan (a 457 plan) is a voluntary supplemental retirement savings program that offers a convenient way to build your savings for the future while enjoying current tax breaks. The plan allows you to defer a portion of your county pay to a variety of investment options before taxes are deducted. This reduces your taxable pay, providing an immediate tax advantage.

You may withdraw your money (in a lump sum, installment payments or an annuity payment) at retirement or when you leave employment with King County. Withdrawn funds are taxed, but ideally after you've retired and your income and tax liability are less!

You can enroll any time after 60 days of employment. For more information, contact T. Rowe Price, the plan administrator:
